

Robinson's Discovery Tree Toddler Forest School Sessions

Where:

Oldbury Court Estate, Oldbury Court Road, Fishponds BS16 2JH

Parking

Vehicle access via Oldbury Court Road, Fishponds, Bristol with free car parking facilities here.

Toilets

The park has toilet facilities but participants are advised to go beforehand. The toilets are right next to the playpark so it might be a challenge to focus attention back to forest school after a toilet visit!

Weather and Cancellations

We will always endeavour to go forth on adventures and won't let a bit of rain stop us! Wet weather provides magical play opportunities. However, there are a few safety points we must follow to remain safe.

We will not go out in electrical storms (lightning) or if electrical storms are forecast

We will not go out in high winds. We are only able to go out in winds up to 39mph. When wind speeds

or gusts are forecast to be higher, we will no longer be insured and will not go out. This is because of increased risk of trees dropping large limbs.

If a session is cancelled due to dangerous weather conditions, Jemma will contact you by 8.15am

What happens if a session needs to be cancelled?

In the very rare event that we have to cancel a session, we look at the circumstances individually. Sometimes we will run an extra session. If we can't do this we usually offer families two choices:

- A discount off the following term
- A refund for that session

Terms and Conditions

The regular term-time sessions run by Robinson's Discovery Tree are booked as a block booking. Please look at carefully at the dates listed above for information about dates of the sessions. The number of weeks per each term varies in length

Robinson's Discovery Tree also runs holiday forest school sessions as one-off sessions but these are not included in this booking.

Children (and their parents/carers!) benefit most from regular, repeated visits to Forest School. The longer children attend Forest School, the greater the magic you will see in their development and probably enjoyment. When you book a block of sessions the cost per session per family will work out at approximately £8 per session per child if you can make it to every session within a booked block. Please note that **sessions cannot be paid for on a weekly basis**. Upon booking, you commit to attending every week for a term. Fees must be paid before a term begins.

Upon booking, **your place can only be secured once payment is received.**

Refunds will only be offered in exceptional circumstances. Refunds cannot be offered if you cannot make a session due to illness or weather. We cannot commit to offer refunds on the rare occasion where we have to cancel a session due to dangerous weather.

Fees apply to each family. If you bring children from different families, additional fees apply for each family. Childminders only pay one fee as though they are one family. Please don't hesitate to contact us if you are unsure about fees.

You are welcome to bring other adults along, like grandparents or friends who are visiting from afar. If your visiting friends/family bring children aged 1-5, we would ask you to contribute £6 towards the session. For children aged 5+, please consider making a donation of £4.

By paying for Robinson's Discovery Tree, you are agreeing to the Terms & Conditions stated above.
